

Application Form for Graduate Certificate in Participatory Research

<http://participatoryresearch.web.unc.edu>

The Graduate Certificate in Participatory Research (GCPR) is an interdisciplinary certificate program for graduate students at UNC-Chapel Hill creating an action-oriented learning community that provides training for carrying out research in equitable partnership *with* communities. Please direct questions to participatoryresearch@unc.edu.

To Apply

Please complete this form with signatures and a 1-2 page statement of background and interest. Deliver both electronically to participatoryresearch@unc.edu. Materials are due by May 1 and December 1 and applicants will be notified of admission in May and December of each year.

Feel free to include any relevant information here. ^

Certificate Requirement Schedule

Please provide the semester/year you anticipate satisfying the program requirements.

	Semester/Year
1. Required 1-Credit Course: Current Issues in Participatory Research	
2. Core 3-Credit Course: Decolonizing Methodologies	
3. Elective 3-Credit Course of Your Choosing	
4. Practicum	
5. Two Workshops	

Procedures

Once admitted, the student will be added to a GCPR Sakai site. There, the student must maintain a list of qualifying courses with dates of completion and grades, Workshop Completion Forms, and a complete practicum portfolio. **These materials should be updated in Sakai as the student completes each requirement.** Upon completion of all requirements, the student must submit a GCPR Completion Form and unofficial transcript via Sakai. At that point the Completion Form and all materials will be reviewed by the Program Director. Once approved, the student will be notified and their information submitted to the University Registrar for inclusion of the GCPR on their transcript.
